## EXTRA LOW EMISSION E-LE BOARDS

As a result of continuous investment and innovation **FALCO Zrt. Szombathely** is proud to confirm that all FALCO particleboard products comply with the **CARB II, extra low emission E-LE** standard.

**From 2015 onwards we deliver particleboard in E-LE quality only.**

Therefore we do much more than any law requires.  
We guarantee our customers and their customers the highest level of security.  
By selecting FALCO products our customers are making a responsible purchasing choice and will gain a significant competitive advantage.
